Re: *Lifeline and Link Up Reform and Modernization*, WC Docket No. 11-42

Dear Ms. Dortch:

On August 22, 2012, Frontier submitted a letter supplementing its original application for the Broadband Adoption Lifeline Pilot Program.<sup>1</sup> Frontier recognizes that when it submitted its initial application it did so confidentially, making a redacted version available for the public.<sup>2</sup> Frontier hereby attaches to this letter an unredacted copy of its initial submission. The August 22 letter supplements this attached filing.

Frontier appreciates the opportunity to share this information with the Commission regarding its Application. Please feel free to contact me with any further questions.

Sincerely,
